

# RUFWALL NO-HUB SPECIAL FITTINGS

## RufWall Savings with Back Outlet Fixtures (Compared with Conventional Piping)

- Fewer floor penetrations
- Eliminates cost of dropped ceilings to conceal pipe
- No scaffolding needed
- One-man installation
- Waist-high venting
- Water closet easier to install...faster

The **by-pass fitting** permits in-line piping to reduce width of the chase, and individual venting of the lavatories.

**Tub wye fittings** accept waste from two tubs and provide a common vent. They save space, materials and the labor to install duplicate systems.

## NOTE:

Rufwall fittings are sold and shipped as normal cataloged soil products.
